ACTIVITY WAIVER

In consideration of being allowed to participate in the activities and programs of Stable Core and to use its facility, equipment and machinery in addition to the payment of any fee or charge, I do hereby waive, release, and forever discharge Stable Core and its officers, agents, employees, representatives, executors, and all others from any and all responsibilities or liability from injuries or damages resulting from my participation in any activities or my use of equipment or machinery in the above mentioned activities. I do also hereby release all of those mentioned and any others acting upon their behalf from any responsibility or liability for any injury or damage to myself, including those caused by the negligent act or omission of any of those mentioned or others acting on their behalf or in any way arising out of or connected with my participation in any activities of Stable Core or the use of any equipment at Stable Core.

I understand and am aware that strength, flexibility, and aerobic exercise, including the use of equipment, is a potentially hazardous activity. I also understand that fitness activities involve a risk of injury and even death, and that I am voluntarily participating in these activities and using equipment and machinery with the knowledge of the dangers involved. I hereby agree to expressly assume and accept any and all risks of injury or death.

I do hereby further declare myself to be physically sound and suffering from no condition, impairment, disease, infirmity, or other illness that would prevent my participation or use of equipment or machinery except as hereinafter stated. I do hereby acknowledge that I have been informed of the need for a physician's approval for my participation in an exercise/fitness activity or in the use of exercise equipment and machinery. I also acknowledge that it has been recommended that I have a yearly or more frequent physical examination and consultation with my physician as to physical activity, exercise, and use of exercise and training equipment so that I might have his/her recommendations concerning these fitness activities and equipment use. I acknowledge that I have either had a physical examination and have been given my physician's permission to participate, or that I have decided to participate in activity and use of equipment and machinery without the approval of my physician and do hereby assume all responsibility for my participation and activities, and utilization of equipment and machinery in my activities.

Payments are to be made at the time of service.

Sessions are 55 minutes in length, unless other arrangements have been made.

It is important to arrive on time for each appointment. If you arrive late, you will be charged for the full session even though your session will be shorter than if you had arrived on time.

To cancel an appointment without charge, you must contact your trainer directly at least 24 hours in advance of your scheduled appointment. **If you fail to cancel your appointment 24 hours in advance, you will be charged for a full session.**

I have read and understand these policies and procedures for private and duet Pilates sessions.
